

1. Choose a Stop

You may choose a stop with or without a shelter. We'll let you know if that stop is available, and if not, we'll give you some other options in that area.

2. Contact Us

For more information about the program, visit <http://data.durhamnc.gov> or www.keepdurhambeautiful.org or call Keep Durham Beautiful at 560-4197, Ext. 260 to set up an adoption agreement.

3. Get Started!

Sign an adoption agreement and pick up work logs, safety material and supplies from Keep Durham Beautiful. Volunteers will be provided with gloves, litter grabbers, trash bags, and safety vests.

Plan to clean your bus stop at least once a month. Pick up and dispose of all litter at your stop according to safety guidelines. Please recycle as much waste as possible. If a trash bin at your stop is overfilled, report it to 560-4197, Ext. 260 and pick up the litter around it.

NEVER clean graffiti yourself. To report graffiti, call Durham One Call at 560-1200.

To report damages to bus stop signs, benches or shelters, call DATA at 560-1535, Ext. 215.

Adopt -A- Stop

Cleaner, Safer Communities

Durham Area Transit Authority (DATA) provides safe, reliable, convenient and accessible transportation for the residents and visitors of the City of Durham. Public transportation is our link to family, friends, work, entertainment and shopping.

DATA provides public transportation on 19 bus routes traveling throughout the City of Durham.

In an effort to maintain safe, clean bus stops, DATA has partnered with Keep Durham Beautiful to provide residents of Durham with an opportunity to improve the appearance and safety of our community!

The Adopt-A-Stop program allows businesses, individuals, schools and civic organizations to make a difference in the community to help keep Durham litter free.

DATA bus shelters provide passengers with a safe and comfortable place to rest while waiting for the bus. With over 1,100 bus stops scattered across the City of Durham and over 100 featuring a passenger shelter or bench, keeping each location clean is a difficult task.

The Adopt-A-Stop program is a great way

to get involved in the community. By adopting a bus stop, you can help make the community more beautiful while protecting the environment. Everyone benefits from this environmentally conscious program—property owners, businesses, visitors and transit riders.

Cleaner Communities

Adopt-a-Stop volunteers agree to keep their bus stop and/or shelter clean. This involves picking up litter, reporting damage and generally keeping the area around the stop free of debris and unsightly clutter.

Benefits

Adopt-A-Stop participants receive

- free DATA bus passes each month
- a sign recognizing your volunteer work at the bus stop
- the chance to serve the community and improve the environment.

Safer Communities

Clean, well-maintained bus stops discourage criminal activity. By adopting a bus stop, you also become the eyes and ears of the community. An important part of maintaining a safe bus stop is reporting all suspicious behavior or activity to the Durham Police Department. You can help reduce vandalism and other crimes by keeping a vigilant watch over the area around your stop.
